

ARG REFERRAL CREDIT PROGRAM

You can earn up to a \$200 credit by referring ARG products and equipment to coworkers, colleagues, non-profit organizations and other educational institutions, businesses or individuals.

Here's How it Works.....

1. Be a satisfied ARG customer.
2. Tell your colleagues, associates or anyone interested in purchasing audio equipment about our products ...they can check out our full product line at www.argaudio.com.
3. When they place an order online, have them submit your name on the referral line at checkout; if they call in the order, we will ask them who referred them to us.
4. You can also get referral credits by giving one of our sales team members your colleague's name, phone number and email address and we will contact them directly. If they place an order with us, you will receive the \$200 credit.
5. Once an order is placed by the person you referred; you will receive a \$200 credit toward your next order. Credits will be automatically applied to your next order. You must use the **full credit** on your next purchase.
6. \$200 referral ends 06/30/2012. Beginning 07/01/2012, referrals will earn a \$100 credit.

For any referral in this program, the referred customer must be satisfied with the product (cannot return the product). Credit will be issued to the referring customer's account approximately 30 days after the order was fulfilled. The referred customer must purchase directly from ARG, Inc. via our website (www.argaudio.com) or phone order at 888-468-4552. Self-referrals are not accepted and orders through dealers will not earn referral credit.
